Michael Ungar, Ph.D., is a Family Therapist and Professor of Social Work at Dalhousie University where he holds the Canada Research Chair in Child, Family and Community Resilience.

Since 2002, Dr. Ungar has directed the [Resilience Research Centre](#), designing multisite longitudinal research and evaluation projects in more than a dozen low, middle, and high-income countries, with much of that work focused on the resilience of marginalized children and families, and adult populations experiencing mental health challenges.

Dr. Ungar has published over 180 peer-reviewed articles and book chapters on the subject of resilience and is the author of 15 books for mental health professionals, researchers and lay audiences.
