Follow Up Q&A

FRN Engagement Sessions:

- FRN Engagement Sessions will be hosted by the EI/FRN Specialist team bi-weekly to address FRN specific areas of practice
- These sessions are not mandatory, however we do hope to cover many of the topics and areas of practice we receive questions on as a team
- Sessions will be 45 minutes long, with the first 15 minutes information sharing from the Specialists, and the last half hour open to discussion with the group
- The first Session will be held on July 29, from 1:00pm to 1:45pm on Communities of Practice
- Next Session will be August 12, 1:00pm to 1:45pm

FRN Portal:

- Please direct all questions regarding the Portal to the Q&A set up in the text site – your questions will be answered on the Q&A within 3 business days
- The FRN Portal officially launched on July 23 and is now live for data entry
- The EI/FRN Specialists will be hosting FRN Portal training on the following dates: July 29, July 31, August 5, August 6
- After you submit the FRN Account Set-up Survey to establish FRN Portal and FRN Research Platform User Accounts, a proof of submission email will be sent to the primary contact's email address that was identified in the survey. The email will come from noreply@colab-online.org. Some email accounts may identify this email address as spam and send it to your junk folder or block it entirely if your IT system does not accept noreply email addresses. Upon submission of your survey, if you do not receive an email confirmation, please check the junk folder of the email account you identified as the account you wanted the confirmation email to be sent or check into your system settings.
