### Navigating OHS in Your Workplace

The **ALIGN** Association of Community Services, Alberta Council of Disability Services (**ACDS**), the Government of Alberta Ministries of Children's Services (**CS**) and Community and Social Services (**CSS**) have partnered with the Alberta Association for Safety Partnerships (**AASP**) to develop the following resources.

For a health and safety program to be successful, it requires involvement from everyone. This infographic is designed to make you aware of the resources available to assist you in developing your own health and safety management system (HSMS).

**1 Video launch**  
This video provides an overview of the Community Staff Service Initiative.

[Watch the video](#)

**2 Management and Leadership Strategies for an Effective OHSMS**

This workshop is designed to give leaders an overview of OHS legislation, a typical HSMS, and how they can successfully demonstrate "active involvement".
